## The Story of Glory From Ideology to Idea

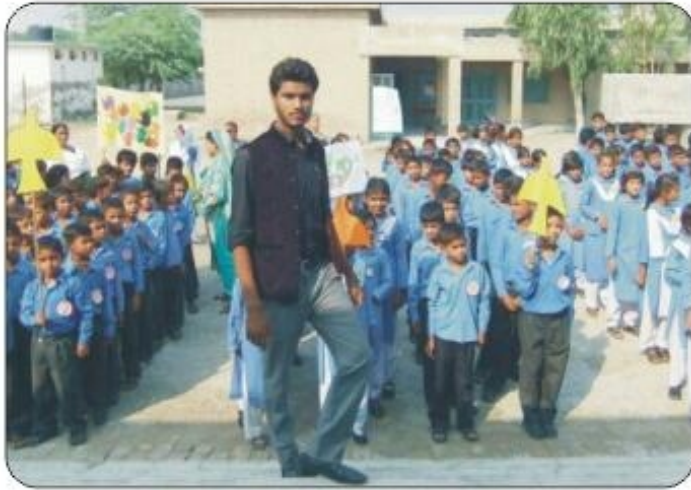

Here is brief history of Christopher Christy's struggle for his Institute. The Struggle started from 2015. He started as a student. During his student life he was very energetic. He started writing columns and arranging seminars for youth in his early University life. As the time passed his passion for youth was gone crazy. He worked day and night for Pakistani youth and emerged as a great leader of youth. Soon he became a known personality among the youth as well as children and old people. He was getting more and more appreciation from the people day by day. Now he is an emerging leader for the Pakistani Youth. Now a days he is doing many seminars for youth on Education, Youth empowerment and motivation in all over the country. He did successful at Jhelum, University of Sargodha, Lums, National Incubation center Islamabad, E-library Sargodha and many more to come. Over 80000 students are trained by Christopher Christy till now. Now he is working for his "Institution" through which he wants to provide free education to youth. His Institute contains a Human Resource center, Computer labs, Auditorium, Public library and many more skill awaking programs are waiting for youth in this institute. He wrote a book named as "Rehaai\_ki\_soch".
